

SCHEDULE NO. 1

TO THE MERGER PLAN

**DRAFT RESOLUTION OF THE GENERAL MEETING OF POLSKI KONCERN NAFTOWY ORLEN
SPÓŁKA AKCYJNA**

The Management Boards of the Merging Companies adopted, for the purposes of the Merger Plan, the following draft resolution of the General Meeting of Polski Koncern Naftowy ORLEN Spółka Akcyjna (PKN ORLEN) regarding the merger with Polskie Górnictwo Naftowe i Gazownictwo Spółka Akcyjna (PGNiG), an increase of the share capital of PKN ORLEN and the consent for the proposed amendments of the Articles of Association (*statut*) of PKN ORLEN.

RESOLUTION NO. [•]

**of the Extraordinary General Meeting
of Polski Koncern Naftowy ORLEN Spółka Akcyjna
with its registered seat in Płock (the “Company”)
dated [•]**

regarding: **the merger of the Company with Polskie Górnictwo Naftowe i Gazownictwo Spółka Akcyjna with its registered seat in Warsaw, KRS: 0000059492 (“PGNiG”) and**

the increase of the share capital and amendments of the Articles of Association (*statut*)

Acting pursuant to Article 492(1)(1) and Article 506 of the Commercial Companies Code (the “CCC”) and § 7(7)(5), § 7(7)(9) and § 7(7)(13) of the Company’s Articles of Association (*statut*), following the analysis of the plan of merger of the Company with PGNiG (the “**Merger Plan**”), the schedules to the Merger Plan, the report of the management board of the Company providing the justification for the merger of the Company with PGNiG and the expert opinion made pursuant to Article 503(1) of the CCC, it is resolved as follows:

§ 1.

1. The Extraordinary General Meeting of the Company consents to the following:
 - a) the merger of the Company with **PGNiG** by way of transfer of the entire estate (*majątek*) of **PGNiG**, comprising all of its assets and liabilities, to the Company in exchange for the shares which will be issued by Company to the PGNiG shareholders in accordance with the terms and conditions of the Merger Plan (the “**Merger**”);
 - b) the Merger Plan attached as Schedule 1 to this resolution;
 - c) the amendment of the Articles of Association (*statut*) of the Company as provided in Schedule No. 3 to the Merger Plan which are the subject of the resolution in accordance with § 4 below.

§ 2.

1. In connection with the Merger, the share capital of the Company is increased by the amount of PLN 668,117,655 (in words: six hundred and sixty-eight million, one hundred and seventeen thousand, six hundred and fifty-five), it is from PLN 783,059,906.25 (seven hundred and eighty-three million, fifty-nine thousand, nine hundred and six and 25/100) up to PLN 1,415,177,561.25 (one billion four hundred and fifteen million, one hundred and seventy-seven thousand, five hundred and sixty-one and 25/100) by way of issuance of 534,494,124 (five hundred and thirty-four million, four hundred and ninety-four thousand, one hundred and twenty-four) series F

ordinary bearer shares with the nominal value of PLN 1.25 (one and 25/100) each and the total nominal value of PLN 668,117,655 (six hundred and sixty-eight million, one hundred and seventeen thousand, six hundred and fifty-five) (the “**New Shares**”).

2. No special rights referred to in Article 351 §1 in conjunction with Article 304 § 1(6) of the CCC will be allotted to the New Shares.
3. The New Shares will be subscribed for on the terms applicable to mergers of companies as regulated in Article 492 and the following of the CCC, that is in compliance with the terms of the Merger Plan which has been approved pursuant to §1(1)(b) of this resolution, by an exchange of shares based on the following share exchange ratio provided in the Merger Plan: each of the PGNiG shareholders will receive 0.0925 shares in the Company for every 1 (one) share in PGNiG.
4. The Company will allot the New Shares to the PGNiG shareholders in accordance with Article 494 § 4 of the CCC, on the terms and conditions provided in the Merger Plan. The New Shares will be allotted, subject to specific laws, through the Central Securities Depository (*Krajowy Depozyt Papierów Wartościowych S.A.*) (“**KDPW**”), by applying the Share Exchange Ratio, pro rata to the number of the shares held by them in PGNiG on the reference date determined in accordance with the relevant terms of the Detailed Rules of the KDPW (the “**Reference Date**”), as follows:
 - to the entities which, as at the Reference Date, will have PGNiG shares registered in their securities accounts; and
 - to the entities which will be presented to the entity keeping an omnibus account by the owner of such account as the entities entitled to PGNiG shares registered in such omnibus account as at the Reference Date.
5. The Company’s Management Board will determine the Reference Date in accordance with the terms of the Merger Plan and the information about the chosen Reference Date will be provided by the Company’s Management Board to the KDPW. If the Management Board does not determine the Reference Date or determines it in breach of the terms resulting from the Detailed Rules of the KDPW, the Reference Date will be the next business date satisfying the conditions determined in the Detailed Rules of the KDPW.
6. The New Shares will authorise to participate in the profits of the Company starting from the first day of the financial year in which the New Shares are registered in the securities accounts of the PGNiG shareholders, i.e. as of 1 January 2022. The above means that the New Shares may participate in the dividend starting with the dividend established in accordance with Article 348 of the CCC based on the financial statements of the Company for the financial year commencing on 1 January 2022 and ending on 31 December 2022.

§ 3.

The Extraordinary General Meeting of the Company consents for the admission and introduction of the Merger Shares to trading on the regulated market operated by the Warsaw Stock Exchange (*Giełda Papierów Wartościowych w Warszawie S.A.*) (“**WSE**”). In connection with the above, the Extraordinary General Meeting of the Company authorises the Company’s Management Board to take all the necessary legal and other actions with the objection of admission and introduction of the Merger Shares to trading on the regulated market operated by the WSE, including those provided for in the laws, concerning such actions or related therewith.

§ 4.

In connection with the Merger adopted pursuant to §1 of this resolution, the Company’s Articles of Association (*statut*) are amended as follows:

- 1) *in Article 2*
 - a) *in section 2, the following items 90) - 151) shall be added after item 89):*
 - 90) test drilling and boring;

- 91) service activities incidental to other extraction and quarrying;
- 92) extraction of chemical and fertiliser minerals;
- 93) other extraction and quarrying not elsewhere classified;

- 127) repair and maintenance of consumer electronics;
- 128) other service activities not elsewhere classified;
- 129) call centre activities;
- 130) other publishing activities;
- 131) service activities related to printing;
- 132) other printing;
- 133) photocopying, document preparation and other specialised office support activities;
- 134) other business support service activities not elsewhere classified;
- 135) water collection, treatment and supply;
- 136) library activities;
- 137) archive activities;
- 138) museums activities;
- 139) buying and selling of own real estate;
- 140) operating of real estate on a fee or contract basis;
- 141) renting and operating of own or leased real estate;

- 142) renting and leasing of cars and light motor vehicles;
- 143) renting and leasing of other motor vehicles excluding motorcycles;
- 144) tour operator activities;
- 145) holiday and other short-stay accommodation;
- 146) camping grounds, recreational vehicle parks and trailer parks;
- 147) other accommodation;
- 148) retail sale in non-specialised stores with food, beverages or tobacco predominating;
- 149) organisation of conventions and trade shows;
- 150) other amusement and recreation activities;
- 151) other passenger land transport services, not elsewhere classified.

b) *the following sections 5 and 6 shall be added:*

“5

The Company shall, within the scope of business provided for in section 1, perform the duties to ensure energy safety of the Republic of Poland.

6

1. The minister competent for matters pertaining to energy, having obtained the opinion of the entity entitled to exercise the rights to the shares owned by the State Treasury, shall grant a written consent for:
 - a) amendments to material provisions of existing commercial contracts on natural gas imports to Poland, or execution of new commercial contracts on natural gas imports to Poland,
 - b) implementation of strategic investment projects or Company's involvement in investment projects which may result in a lasting or temporary deterioration of the economic efficiency of the Company's operations, but are required to ensure energy security in terms of ensuring such security within the scope of:
 - 1) ensuring continuity of gas supplies to consumers and maintaining the necessary reserves of gas;
 - 2) ensuring safe operation of gas networks;
 - 3) ensuring gas fuels balance, managing the operations and capacity of power equipment connected to the common gas distribution network;
 - 4) natural gas production.
2. Motions in matters referred to in section 1 need to be submitted with a justification of the Management Board and a written opinion of the Supervisory Board.”

2) *section 1 of Article 3 shall be amended as follows:*

“1

The share capital amounts to PLN 1,415,177,561.25 (one billion four hundred and fifteen million, one hundred and seventy-seven thousand, five hundred and sixty-one and 25/100) and is divided into 1,160,942,049 (one billion one hundred and sixty million, nine hundred and forty-two thousand, forty-nine) shares having the nominal value of PLN 1.25 (one zloty and twenty-five grosze) each, including:

- a) 336,000,000 (three hundred and thirty-six million) series A bearer shares, numbered from A-000000001 to A-336000000;
- b) 6,971,496 (six million, nine hundred and seventy-one thousand, four hundred and ninety-six) series B bearer shares, numbered from B-0000001 to B-6971496;

- c) 77,205,641 (seventy-seven million, two hundred and five thousand, six hundred and forty-one) series C bearer shares, numbered from C-00000001 to C-77205641;
- d) 7,531,924 (seven million, five hundred and thirty-one thousand, nine hundred and twenty-four) series D bearer shares, numbered from D-0000001 to D-7531924;
- e) 198,738,864 (one hundred and ninety-eight million, seven hundred and thirty-eight thousand, eight hundred and sixty-four) series E bearer shares, numbered from E-000000001 to E-198738864;
- f) 534,494,124 (five hundred and thirty-four million, four hundred and ninety-four thousand, one hundred and twenty-four) series F bearer shares, numbered from F-000000001 to F-534494124,”

3) *in Article 7:*

a) *section 4(1) shall be amended as follows:*

- „1. The Management Board shall convene an Extraordinary General Meeting on its own initiative, at the request of the Supervisory Board, or at the request of a shareholder or shareholders representing at least one-twentieth of the Company's share capital, and the shareholder being the State Treasury, regardless of its share in the share capital, within two weeks from the submission of such request. The request to convene the General Meeting should specify matters to be included on its agenda or a draft resolution on the proposed agenda of the meeting.”;

b) *section 4(3) shall be amended as follows:*

- „3. A shareholder or shareholders representing at least one-twentieth of the Company's share capital may request that certain matters be placed on the agenda of the next General Meeting, in accordance with the laws of general application. Such right is also enjoyed by the State Treasury as a shareholder, regardless of its share in the share capital.”;

c) *in section 7(14) the full stop shall be replaced with a coma and the following section 7(15) shall be added:*

- „15. The adoption of a resolution consenting for the subscription, acquisition or sale of shares in entities forming the Company's Group which, based on generally applicable laws, act as natural gas distribution system operator or a natural gas storage system operator, including the terms and conditions, and procedure of the sale.

a) *section 9 shall be amended as follows:*

“9

- 1. Any resolution of the General Meeting on preference rights attached to shares, a merger of the Company with another entity by way of transferring all of the Company's assets to such other entity, dissolution of the Company (including as a result of transferring the Company's registered office or principal establishment abroad), liquidation of the Company, transformation of the Company, or reduction of the Company's share capital by way of cancellation of a part of Company shares without a simultaneous capital increase shall require a majority of no less than 90% of votes cast,
- 2. If the share of the State Treasury in the share capital of the Company decreases below 49%, the resolutions of the General Meeting regarding:
 - 1) dissolution of the Company;
 - 2) relocation of the Company's registered office abroad;
 - 3) change of the Company's business profile in a way that would limit its operations in the area of prospecting, production of, and trade in crude oil and natural gas;

- 4) sale or lease of, or creation of any limited right in rem on the Company's business or the business of any of the organised part thereof which includes exploration for, production of, and trade in crude oil and natural gas;
- 5) merger of the Company effected by way of transfer of all its assets to another company;
- 6) demerger of the Company;
- 7) creation of preference rights attached to shares;
- 8) formation of, transformation of the Company into, or joining a European company;
- 9) amendments to this item 2,

will require the majority of 80% of the votes cast in the presence of shareholders representing at least half of the Company's share capital.”;

4) *in Article 8*

- a) *in section 11(19) the full stop is replaced with a coma and the following items 20 and 21 will be added:*

„20. issuance of opinions on the Management Board's recommendations concerning nomination or removal of the Company's representatives in the Management and Supervisory Boards of System Gazociągów Tranzytowych EuRoPol Gaz S.A. and submission of such recommendations for acceptance to the State Treasury as a Company shareholder;

21. issuance of opinions on how the Company's representative should vote at the General Meeting of System Gazociągów Tranzytowych EuRoPol Gaz S.A.”;

- b) *section 12(8) shall be amended as follows:*

“8. exercise by the Company of voting rights at general meetings and meetings of shareholders:

- 1) subject to items 2) – 4) below, of Subsidiaries and other companies if the value of shares held by the Company, measured at acquisition or subscription price, exceeds one-fifth of the Company's share capital, where the vote relates to:

- a) the company's merger with another company or its transformation,
- b) sale or lease of the company's business or its encumbrance with usufruct rights,
- c) amendments to articles of association,
- d) conclusion of a parent/subsidiary agreement within the meaning of Art. 7 of the Commercial Companies Code,
- e) dissolution of a company;

- 2) of companies which own any natural gas transmission network, natural gas distribution network, interconnection gas pipeline or a direct gas pipeline, natural gas storage installation, where the vote relates to:

- a) amendments to their articles of association;
- b) increase or reduction in their share capital;
- c) their merger, transformation or demerger;
- d) sale of their shares;
- e) disposal or lease of, or creation of any limited right in rem in their business or its organised part;
- f) dissolution and liquidation of a company;
- g) pledging or otherwise encumbering shares in a company;

- h) obligation to make additional payments (*dopłaty*),
 - i) issuance of bonds,
 - j) entry into a contractual relationship with a foreign entity in relation to or in connection with the planning, analysis, construction, expansion or disposal of a distribution network, interconnection gas pipeline or a direct gas pipeline, within the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
 - k) entry into a contractual relationship with a foreign entity in relation to or in connection with the design, analysis, construction, expansion or disposal of a storage facility, within the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
 - l) entry into a contractual relationship with a foreign entity in relation to or in connection with the design, analysis, construction, expansion or disposal of a generation unit or a cogeneration unit, within the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
 - m) entry into a contractual relationship with a foreign entity in relation to or in connection with prospecting or appraisal of hydrocarbon deposits or production of hydrocarbons within the meaning of the Polish Geological and Mining Law having the value that exceeds the PLN equivalent of EUR 5,000,000,
 - with the proviso that items j-m above do not apply to credit facility agreements, maintenance services, including overhauls, geophysical, drilling and well services and projects, as well as services or deliveries relating to such agreements or projects and, in addition, item m does not include the activities of a foreign Subsidiary pertaining to contracts and agreements concluded as part of day-to-day management of the organisational structure of a company, including employment contracts and use of assets where the related liabilities are equal to or less than EUR 5,000,000, and day-to-day administrative expenses;
- 3) of companies which are natural gas distribution system operators, where the vote relates to:
- a) the approval of annual financial plans of those companies;
 - b) the approval of long-term strategic plans of operation of those companies;
 - c) the amendment of articles of association;
 - d) increase or reduction of share capital;
 - e) merger, transformation or demerger of a company;
 - f) transfer of shares in a company;
 - g) sale and lease of a company business or an organised part thereof and establishment of any right in rem thereon;
 - h) dissolution and liquidation of a company;
 - i) entry into a contractual relationship with a foreign entity in relation to or in connection with the planning, analysis, construction, expansion or disposal of a distribution network, interconnection gas pipeline or a direct gas pipeline, within the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that

exceeds the PLN equivalent of EUR 500,000, with the exclusion of any credit facility agreements, maintenance services, including overhauls and service works, as well as services or deliveries relating to such agreements or projects.

- 4) of companies which are natural gas storage system operators, where the vote relates to:
- a) the amendment of articles of association;
 - b) increase or reduction of share capital;
 - c) merger, transformation or demerger of a company;
 - d) transfer of shares in a company;
 - e) sale and lease of a company business or an organised part thereof and establishment of any right in rem thereon;
 - f) dissolution and liquidation of a company
 - g) entry into a contractual relationship with a foreign entity in relation to or in connection with the planning, analysis, construction, expansion or disposal of a storage unit, within the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000, with the exclusion of any credit facility agreements, maintenance services, including overhauls and service works, as well as services or deliveries relating to such agreements or projects.

The PLN equivalent in euros is determined at the mid exchange rate of that currency to PLN announced by the National Bank of Poland on the date preceding the request for the consent of the Supervisory Board on the date on which the Management Board reaches the conclusion that such action does not require such consent in view of the value thereof.”;

5) *in Article 9*

a) *after section 7(3) the following section 7(4) shall be added:*

“4. Any matters referred to in Article 2 section 6.”;

b) *after section 11 the following sections 12 – 14 shall be added:*

“12

1. The Company's Management Board is required, at any request of the State Treasury, the shareholder with certain personal rights, to prepare and to deliver to it, on the terms as provided in item 3 below, the detailed information about the tasks performed to guarantee national energy security.
2. The Company's Management Board is required, to prepare, no later than before the lapse of two months from the date of completion of the ordinary General Meeting approving the report on the activities of the Company, and deliver to the State Treasury as the shareholder with personal rights, on the terms as provided in item 3 below, the information concerning:
 - 1) the implementation of strategic investment projects or participation in investment projects, required to ensure energy security of Poland;
 - 2) entry into a contractual relationship with a foreign entity by an operator or owner of a distribution system or interconnection gas pipeline, concerning or related to the planning, analysis, construction, extension or disposal of a transmission network, distribution network, interconnection gas pipeline or direct gas pipeline in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,

- 3) entry into a contractual relationship with a foreign entity by operator or owner of storage facility, concerning or related to the planning, analysis, construction, extension or disposal of a storage facility in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
- 4) entry into a contractual relationship with a foreign entity by owner of a generation or cogeneration unit, concerning or related to the planning, analysis, construction, extension or disposal of a generation or cogeneration unit in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
- 5) entry into a contractual relationship with a foreign entity, in relation to or in connection with hydrocarbon exploration, appraisal or production, within the meaning of the Polish Geological and Mining Law, if the value of the contractual relationship exceeds the PLN equivalent of EUR 5,000,000,

- with the proviso that items 1) – 5) above do not apply to information about: credit facility agreements, maintenance services, including overhauls, geophysical, drilling and well services and projects, as well as services or deliveries relating to such agreements or projects and, in addition, item 5) does not include the activities of a foreign subsidiary pertaining to contracts and agreements concluded as part of day-to-day management of the organisational structure of a company, including employment contracts and use of assets where the related liabilities are equal to or less than EUR 5,000,000, and day-to-day administrative expenses.

The PLN equivalent in euros is determined at the mid exchange rate of that currency to PLN announced by the National Bank of Poland on the date on which the obligation to provide information was created.”;

2. The annual information referred to in item 1 is presented by the Company’s Management Board to the entity authorised to exercise the rights attached to the shares held by the State Treasury in accordance with the prevailing laws and the minister competent for matters pertaining to energy based on the laws regulating government administration divisions and the competencies of central government administration institutions.

13

1. The Company’s Management Board presents the State Treasury, as a shareholder with specific personal right thereto, within 21 days after the completion of the General Meeting or the Meeting of the Shareholders of companies which are an Affiliate or a Subsidiary of the Company, where the subject of such General Meeting or the Meeting of the Shareholders was:
 - 1) any strategic investment projects or participation in investment projects, required to ensure energy security of Poland,
 - 2) entry into a contractual relationship with a foreign entity by an operator or owner of a distribution system or interconnection gas pipeline, concerning or related to the planning, analysis, construction, extension or disposal of a transmission network, distribution network, interconnection gas pipeline or direct gas pipeline in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
 - 3) entry into a contractual relationship with a foreign entity by operator or owner of storage facility, concerning or related to the planning, analysis, construction, extension or disposal of a storage facility in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,

- 4) entry into a contractual relationship with a foreign entity by owner of a generation or cogeneration unit, concerning or related to the planning, analysis, construction, extension or disposal of a generation or cogeneration unit in the meaning of the Polish Energy Law, if the contractual relationship is related to infrastructure with an actual or estimated value for any new, including planned infrastructure that exceeds the PLN equivalent of EUR 500,000,
- 5) entry into a contractual relationship with a foreign entity, in relation to or in connection with hydrocarbon exploration, appraisal or production, within the meaning of the Polish Geological and Mining Law, if the value of the contractual relationship exceeds the PLN equivalent of EUR 5,000,000,
- 6) approval of annual financial plans,

with detailed information concerning the decisions adopted by the General Meeting or the Meeting of the Shareholders regarding the matters referred to in items 1) – 6) and an assessment of consequences thereof to the energy security referred to in Article 2 section 5, provided that the above does not apply to information about credit facility agreements, maintenance services, including overhauls, geophysical, drilling and well services and projects, as well as services or deliveries relating to such agreements or projects and, in addition, item 5) does not include information concerning the activities of a foreign subsidiary of the Company or a company referred to above pertaining to contracts and agreements concluded as part of day-to-day management of the organisational structure of a company, including employment contracts and use of assets where the related liabilities are equal to or less than EUR 5,000,000, and day-to-day administrative expenses.

The PLN equivalent in euros is determined at the mid exchange rate of that currency to PLN announced by the National Bank of Poland on the date on which the obligation to provide information was created.

2. After the end of each quarterly period, the Company's Management Board will make and deliver or ensure the making and delivery to the Authorised Entity and the minister competent for matters of energy, by the end of the month in which the interim report was published on the Warsaw Stock Exchange, the economic and financial analysis of the Company and the companies that are considered Affiliates of the Company acting as a distribution system operator or a storage system operator.
3. The Company's Management Board will present the information referred to in items 1 and 2 to the entity authorised to exercise the rights to the shares of the State Treasury in accordance with the applicable laws and to the minister competent for matters of energy in accordance with the laws governing government administration institutions and the competencies of government administration central bodies.

14

If the personal right of the State Treasury as the Company shareholder provided in section 12 and section 13 above, expires once the State Treasury sells all the shares in the Company that are owned thereby, the obligation referred to in those items of delivery of annual financial information will constitute (will be transformed) the right of the State Treasury as a third party, exercisable by presenting such information exclusively to the minister competent for matters of energy, in accordance with the laws governing government administration institutions and the competencies of government administration central bodies, unless the State Treasury makes a different representation with respect to the Company.”

§ 5.

This resolution shall come into force on condition that the controlling entity does not issue a decision objecting against the secondary acquisition of dominance as referred to in Article 3(7)(2) of the Polish act of 24 July 2015 on the control of certain investments (consolidated text: Journal of Laws of 2020,

item 2145, as amended), or that the controlling entity issues a decision refusing to commence proceedings based on the fact that the action covered by the notification on the secondary acquisition of dominance is not subject to the said act, in accordance with the provisions of that act.
