Request for extending the deadline for clarifying position on UOKiK's notice of instigation of anti-trust proceedings

Current report no. 103/2011

The Management Board of Polskie Górnictwo Naftowe i Gazownictwo SA ("PGNiG") hereby reports that on July 18th 2011 PGNiG filed to the President of the Office of Competition and Consumer Protection ("UOKiK") its response to the notice of instigation of anti-trust proceedings concerning abuse by PGNiG of its dominant position on the Polish natural gas retail market. PGNiG informed the public of the instigation of the proceedings in Current Report No. 95/2011 of July 5th 2011.

PGNiG's response contained the documents and information requested by the President of the UOKiK in the said notice. Furthermore, PGNiG requested the President of the UOKiK to extend the deadline for clarifying its position on the charges presented in the decision to instigate the anti-trust proceedings by 14 days. As grounds for the request, PGNiG cited the need to review the materials and documents collected so far in the course of the preliminary investigation and anti-trust proceedings.
